MOVE TO MEXICO

Trusting God

Trusting God is the name of the game as we jump into so many changes this month: our jobs, our home, our spoken language, & culture to name a few.

It will be an exciting month, starting off with an amazing trip to Tijuana, Mexico with Calvary Community Church from Camas. Nothing ho-hum there as they take on a variety of ministries including: children's outreaches on the street, children's ministry training and resources, pastor's training conference & resources, women's encouragement ministry, a special evening for the poor including ministry, food donations, & dinner, and repairing a roof for a rehabilitation center that is experiencing great fruit. Their roof was totally blown off during the past storms that have also hit California. We are glad to be a part of it all!

Please pray for us during this month of transition, and also in May as it will be our first month living on the field. We will be sending out specific prayer requests next month as we need extra prayer to kick-off this ministry. Thank you and God Bless!

Going Fishin'
... for men that is. There are Christian men and women all over the state of Sonora that are serving the Lord and 'fishing for men' with all of their hearts. We are going down there to lift their arms up, encourage them, train them, and do whatever God asks of us. We look forward to seeing and hearing about the amazing 'catch' that God gives us. Thanks for being a part of this fishing team.

Reminder! Don't forget to change our address in your records to PO box 635, Scappoose, OR 97056. A special thanks to Diane Mock from Scappoose who will be depositing checks as well as receiving & forwarding our mail.

Culture Tip!
In Mexico, when someone moves out of a home, they can take **everything** in the house with them. This includes the refrigerator, curtain rods, toilet, sinks, cupboards, stove, and anything else they want!

Thank you so much for all your prayers, support & encouragement! After three years of planning, preparation, and your help, we are now making it to Mexico!

It's time!
The time has finally arrived for our move to Mexico! We were so pleased to send our first load down with Mike, Vickie, & Suki Kangas as well as Harry Moomey. We built the trailer & loaded the second trip on Saturday, March 26th, and will be driving it down when you receive this newsletter. (thankyousomuch for all the

help!!!) The third loading party will be on April 16th. (as seen on the schedule below) Then we say good-bye to all our friends & family, and drive off on April 18th! Thank you for helping us serve the Lord full-time in Mexico, and for trusting us to be your hands and feet.

Pastor Highlight
Pastor Juan Carlos Felix was moved by his denomination from the large beach city of Mazatlan to a small fishing village called 'Yavaros.' Please pray for him as he labors in one of the spiritually darkest towns in the area.
