Prayer Requests

November 2005

- Thank God with us that we have been accepted by the Christian Community and that our ministry is far more effective up front than we had dreamed!
- Thank God with us for a home that is almost ready to move in to!
- Thank God with us for the whole Pro-Vision team (We hope you recognise yourselves) and the work that God is doing through all of us.
- Thank God with us that we got through the rainy and Hurricane season without major incident. (Most of our stuff was outside under tarps.)

Thank You for your
support & prayers
for this ministry.
We are in this together.

To donate to this ministry, make checks out to "ProVision Ministries" and mail to: ProVision, PO Box 635, Scappoose, OR, 97056. For more information on the projects mentioned in this newsletter, upcoming trips, or ways you can get involved, visit our web site or contact us.

We have a ROOF!

Food Baskets

Hundreds of Women impacted!

7 Denominations

12 Churches

33 Teachers

GIVING THANKS

...for Christians helping from
both sides of the border

Pastor's wives and women's ministry leaders from the area at a special weekend conference.

Children's Ministry materials given out this past month to 33 teachers from 12 different churches representing 7 denominations!

Thanking

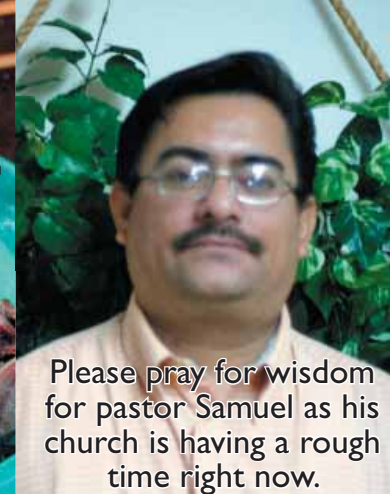

GOD

... for a roof over our heads,
... for the ministry,
... & for your involvement!

This has been a great month! We started the month with the construction of our home 'on-hold' due to funds and finished the month with the roof **on** and the hope of moving into our home soon! A special thanks to those who gave generously for the project. We were also blessed to have Criss Firebaugh and Penee Kerr from Warren Community Fellowship in Oregon come to minister with us. We had a special time with them Friday and Saturday putting on a conference for pastor's wives and women's ministry leaders. They provided encouragement, training, and inspiration for the ministry as well as having effective "quiet times" with the Lord. The idea is that these women will take this training and encouragement back to their home churches and implement it. From what we have seen & heard, several hundred women will be effected for God.

These fish went right into the disc fryer and we ate them whole on the day of our work party.

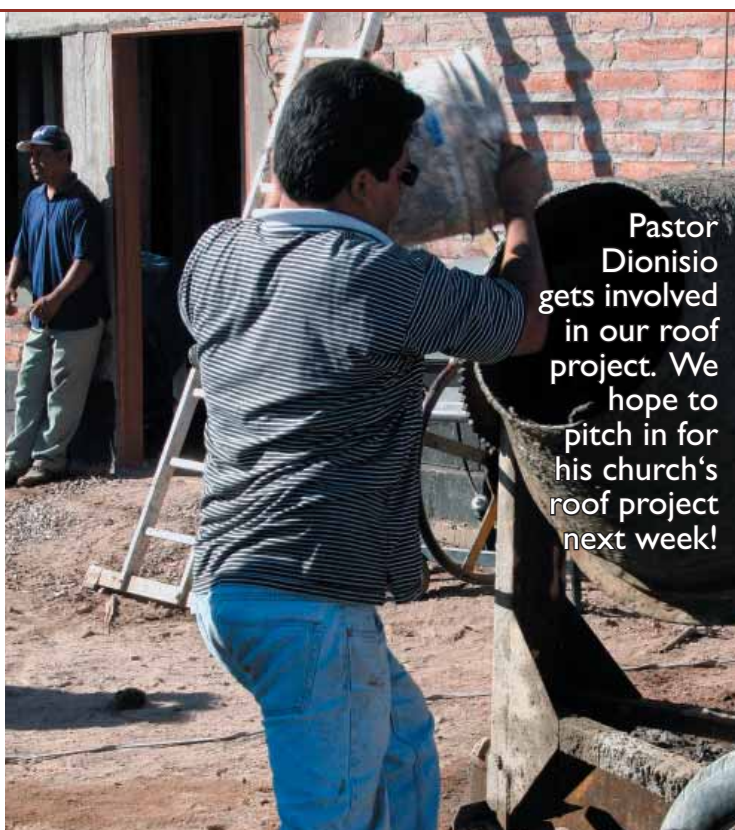

Please pray for wisdom for pastor Samuel as his church is having a rough time right now.

Thanks "GAP" church for our new washing machine!

Sharing God's provisions with local pastors in need.

Pastor Dioniso gets involved in our roof project. We hope to pitch in for his church's roof project next week!

We'll be moving into our new home soon!

Several brothers shared with us that they wanted to help us with the construction of our place. God sent us here to help them, so it took a little adjustment in our thinking to set up the work party... "Fiesta de Concreto." We needed to mix and lift several tons of concrete up to the roof. Over 35 local Christian men from several churches showed up to help! We were grateful for the help and fellowship. They started at 7am and were done by 10am, at which point we shared a delicious fish meal together.

As I write this, Mike, Vickie, and Suki Kangas are on their way here for a visit and to lead the upcoming team. (Wahoo!!!) We also look forward to being visited by a mixed team from Gardnerville, NV (Lon Smith and crew) and Scappoose, OR that is coming with Matt, Mike and Networks Ministries to bless us with construction and to do some street evangelism in some small towns in the area. We are excited about a visit with family & friends!
