MINISTRY EXPANDING

End of Year Fruitful Celebrations

Thanks to the great work and generous gifts, we are about \$3000 away from a complete home / office!

Wrapping Up our First Year

Wow... what a fantastic month and year! The whole house & office has a roof, our home is much closer to moving into, and a variety of ministries abound!

The month started with Mike and Vickie Kangas here for a visit and to take the motor home to the border for visa renewal. It was great having them here!

it feels to have a group of people travel thousands of miles with a main purpose of blessing you? It feels great! Thanks to the teams, we now have a roof over our office and our home is much closer to moving into! Additionally, and most important, several towns and churches were blessed with the Gospel. The town we visited the last night of the team's stay was La Reforma. We were

the first to share the Gospel there and we had a great response to an alter call! Since then a local church has gone back to have more meetings. (See pastor highlight below) Several members of the team spent the week printing and assembling Sunday School curriculum and other literature (all of which is already gone already- praise God) Thank you so much for all your support!

Giving of Heart & Materials

A real need here is ministry materials that the Mexicans can afford. We can produce materials cheaply but everything we have found is copyrighted so we are writing our own. Our first was a VBS program we wrote this past July based on a submarine which has been used over and over. Our second is a 13 week program based on Jesus' parables in Mathew with a detective theme. Each kid gets a complete book of Mathew, detective badge, weekly worksheets, decoder and a folder to hold it all. We are getting reports back that kids are reading thru the book of Mathew according to the produced over 750 sets and they have all been given away! We are looking at another big run just to keep up with requests! (All without much advertising!) This December, we are giving out a 4-week Christmas curriculum including teacher book, coloring pages, poster pack, and nativity scene craft. This is growing much faster than we dreamed it would, or can seem to keep up with. We are getting people who ride a bus for more than two hours to attend our monthly training. This past month we brought our training to a neighboring city "Alamos" where four churches gathered. Three other cities have requested training. We are anxiously awaiting God's solution!

The opportunities are pouring in and we need more resources to reap this fruitful harvest! Please consider a special gift this Christmas season to expand this ministry.

German and Maribel are starting a new independent church in Huatabampo. They have 30 people, land for a church and a regular outreach to another town. Please pray for this new ministry. →
