 Praise the Lord!!!

Tour Completed!

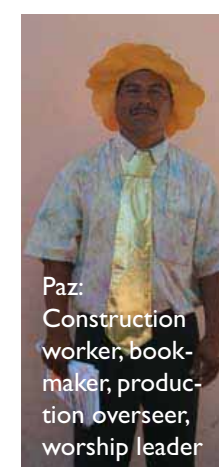

What a fun week we had with a group from Calvary Community Church! They made thousands of books for both children's ministry and women's ministry, finished the red lamina roof for the outside porch, entered all the data from the tour registration forms, made and served dinner to 140 Christian women, prayed for the women at the event, and put on a special outreach for 60 kids for a local church. Thanks guys!

We made a map of the region including Sonora, Sinaloa, and the Baja... then we put pins in the map, one for each church that has received our children's ministry material. It's really exciting to see how far we were able to bless churches in Mexico this year!

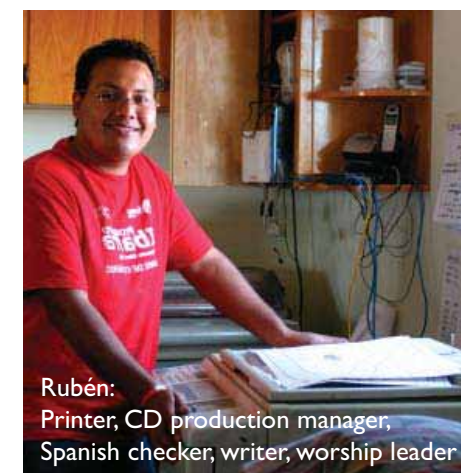

Concha:

What's ahead?
 Construction!!! ...as we work towards completing the new, larger office and printshop! We are also jumping into the season of writing curriculum to be ready by Jan. of 2008! What's on the list? Larger curriculum -3 sessions of 10 lessons on the Hebrews Hall of Faith, Creation teaching, new VBS for 2008, and 2 new Children's music CDs.

Rubén:

 Spanish checker, writer, worship leader

Dwight was thrilled to see the roof get finished.

We inaugurated the new porch roof with a beautiful women's ministry event with teachings and study manuals from the book, "Lies Women Believe" by Nancy DeMoss. We were blessed with an attendance of 140, when we only expected 60!

*Special detail: the paper flowers in the table decorations were scented with perfume!

Giving away material has been a BLAST!

We are starting to hear about churches all over the place doing our VBS! It's really fun to...
VBS in Action!
 attend these VBS's to see how each church uses the material we have given them!
